

Cricket is a popular sport played between two teams of eleven players.

It originated in England and is now played worldwide, especially in countries like India, Australia, and Pakistan.

The game consists of batting, bowling, and fielding. Matches can be of different formats, such as Test cricket, One Day Internationals (ODIs), and Twenty20 (T20).

Famous cricket players include Sachin Tendulkar, Virat Kohli, and Steve Smith. Major tournaments include the ICC Cricket World Cup, ICC T20 World Cup, and Indian Premier League (IPL).

Cricket requires skills like hand-eye coordination, teamwork, and strategic thinking. It is not only a sport but also a passion for millions of fans around the world.
